

Europe's Position from the Time Distance Perspective

Thursday, 12 June 2008

Pavle Sicerl presented Europe's Position from the Time Distance Perspective at the European Regional Economic Forum in Nova Gorica, Slovenia, June 5-6, 2008. Three main topics in the presentation were: 1. The position of EU in the world, 2. Tracking the timetable of implementation of Lisbon and NRP targets, 3. Methodological by-product: S-time-distance for benchmarking and monitoring at EU, national and sub-national levels that is easily understood by policy makers, media and the general public.
