

Where is Slovenia? (Kje je Slovenija?)

Tuesday, 09 August 2011

Interview of Professor Pavle Sicerl in the leading Slovenian newspaper DELO, 8 August 2011. In the interview the time distance innovation and applications in economics and statistics were explained. The main conclusions on the position of Slovenia and Europe are from the article 'Kje je Slovenija?' in the proceedings of the symposium at the Slovenian Academy of Sciences and Arts at the 10th anniversary of death of Professor Aleksander Bajt.
