

## Prepared input files for calculation of MDG implementation

Thursday, 07 February 2013

This advance preparation of input files for selected MDG indicators is designed to facilitate the user to start the application without having to perform the task of preparing input files from official data for these indicators for established targets.

Prepared inputs for selected MDG indicators (to save file to disk, right click on file and choose Save target as in Internet Explorer and Save link as in Mozilla browser):

Input files for regions:

1. Input\_MDG\_POPbelow1\$\_WR.xls2. Input\_MDG\_U5MR\_WR.xls  
Data from UN, The MDG Report Statistical Annex 2012, New York.Â

Input files for countries:

1. Input\_MDG\_China.xls2. Input\_MDG\_India.xls3. Input\_MDG\_U5MR\_DevReg\_countries.xls4.  
Input\_MDG\_Water\_DevReg\_countries.xls5. Input\_MDG\_Sanitation\_DevReg\_countries.xls  
Data from UN, Millennium Development Goals Indicators database.Â
